Hotels & travel packages

Together with the biggest Czech travel agency Čedok we devised for you a simple booking system for hotel accommodation. As we know the region well we picked the most suitable hotels in Liberec, Bedřichov and Jablonec nad Nisou in all price categories.

You will find the full offer of accommodation on the website Cedok.com where you can book your hotel room straight away. At the same time you can order transfers and airline tickets. If required we will prepare for you an accompanying programme including a tour of Prague.
